It's Been A Good Year For All

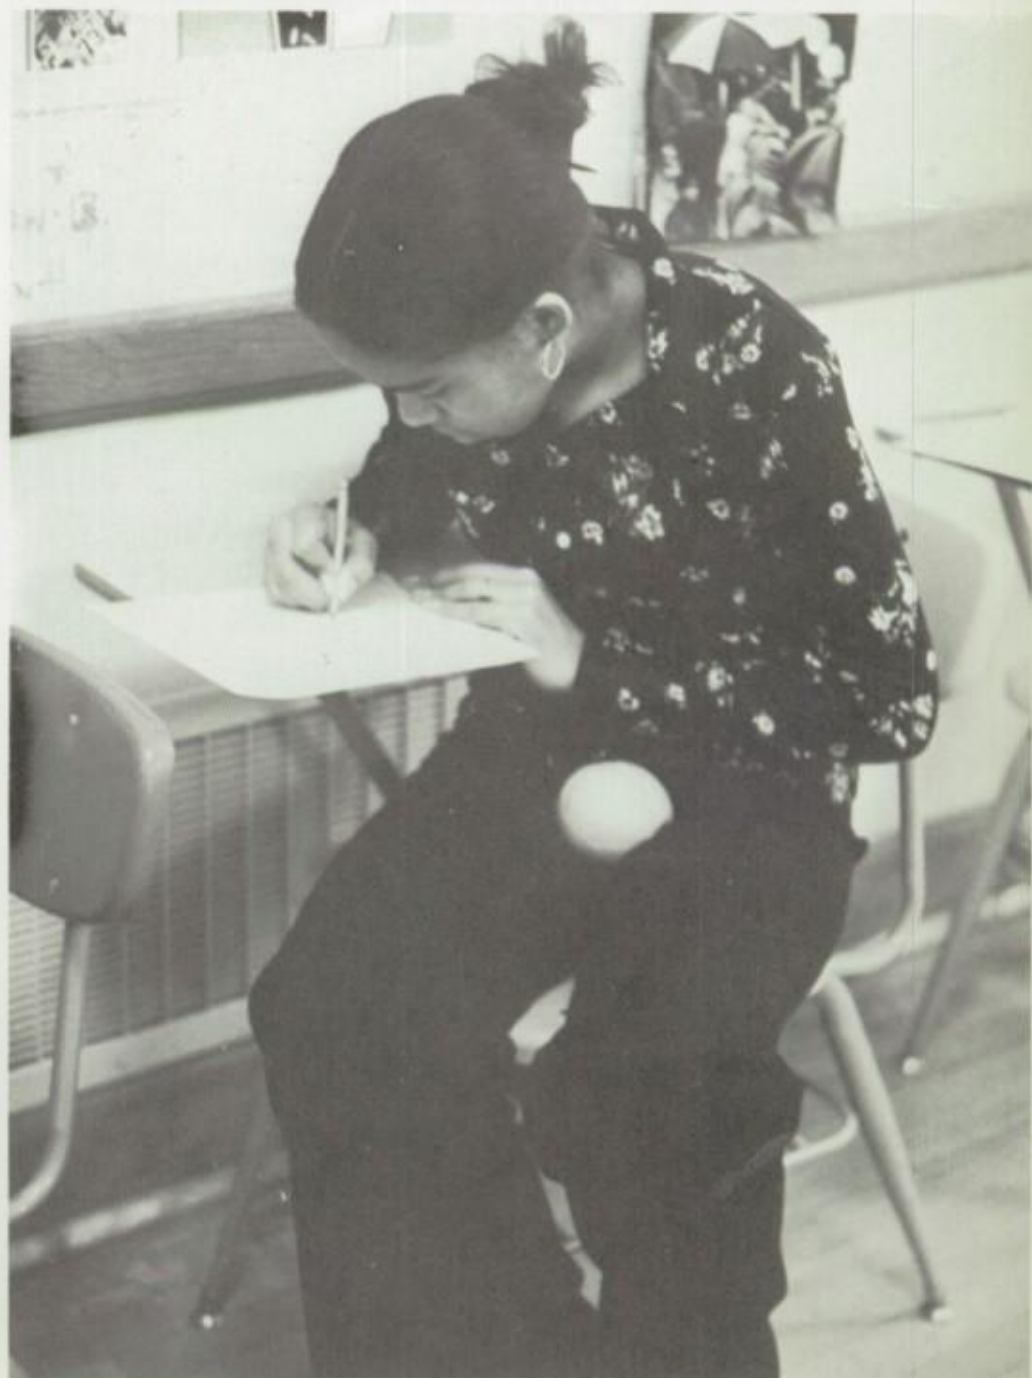

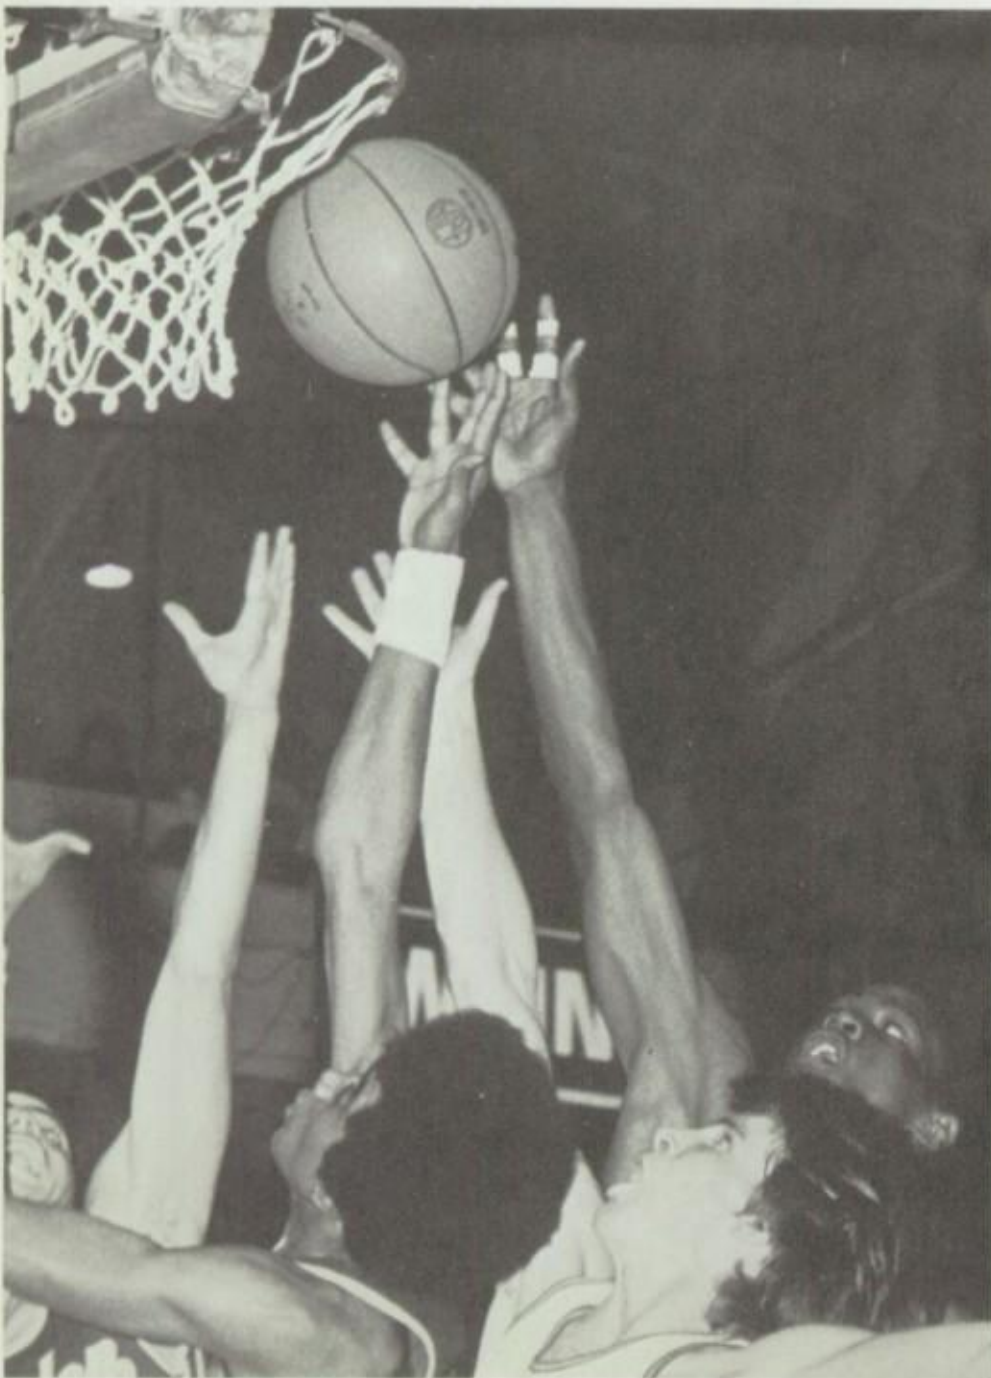

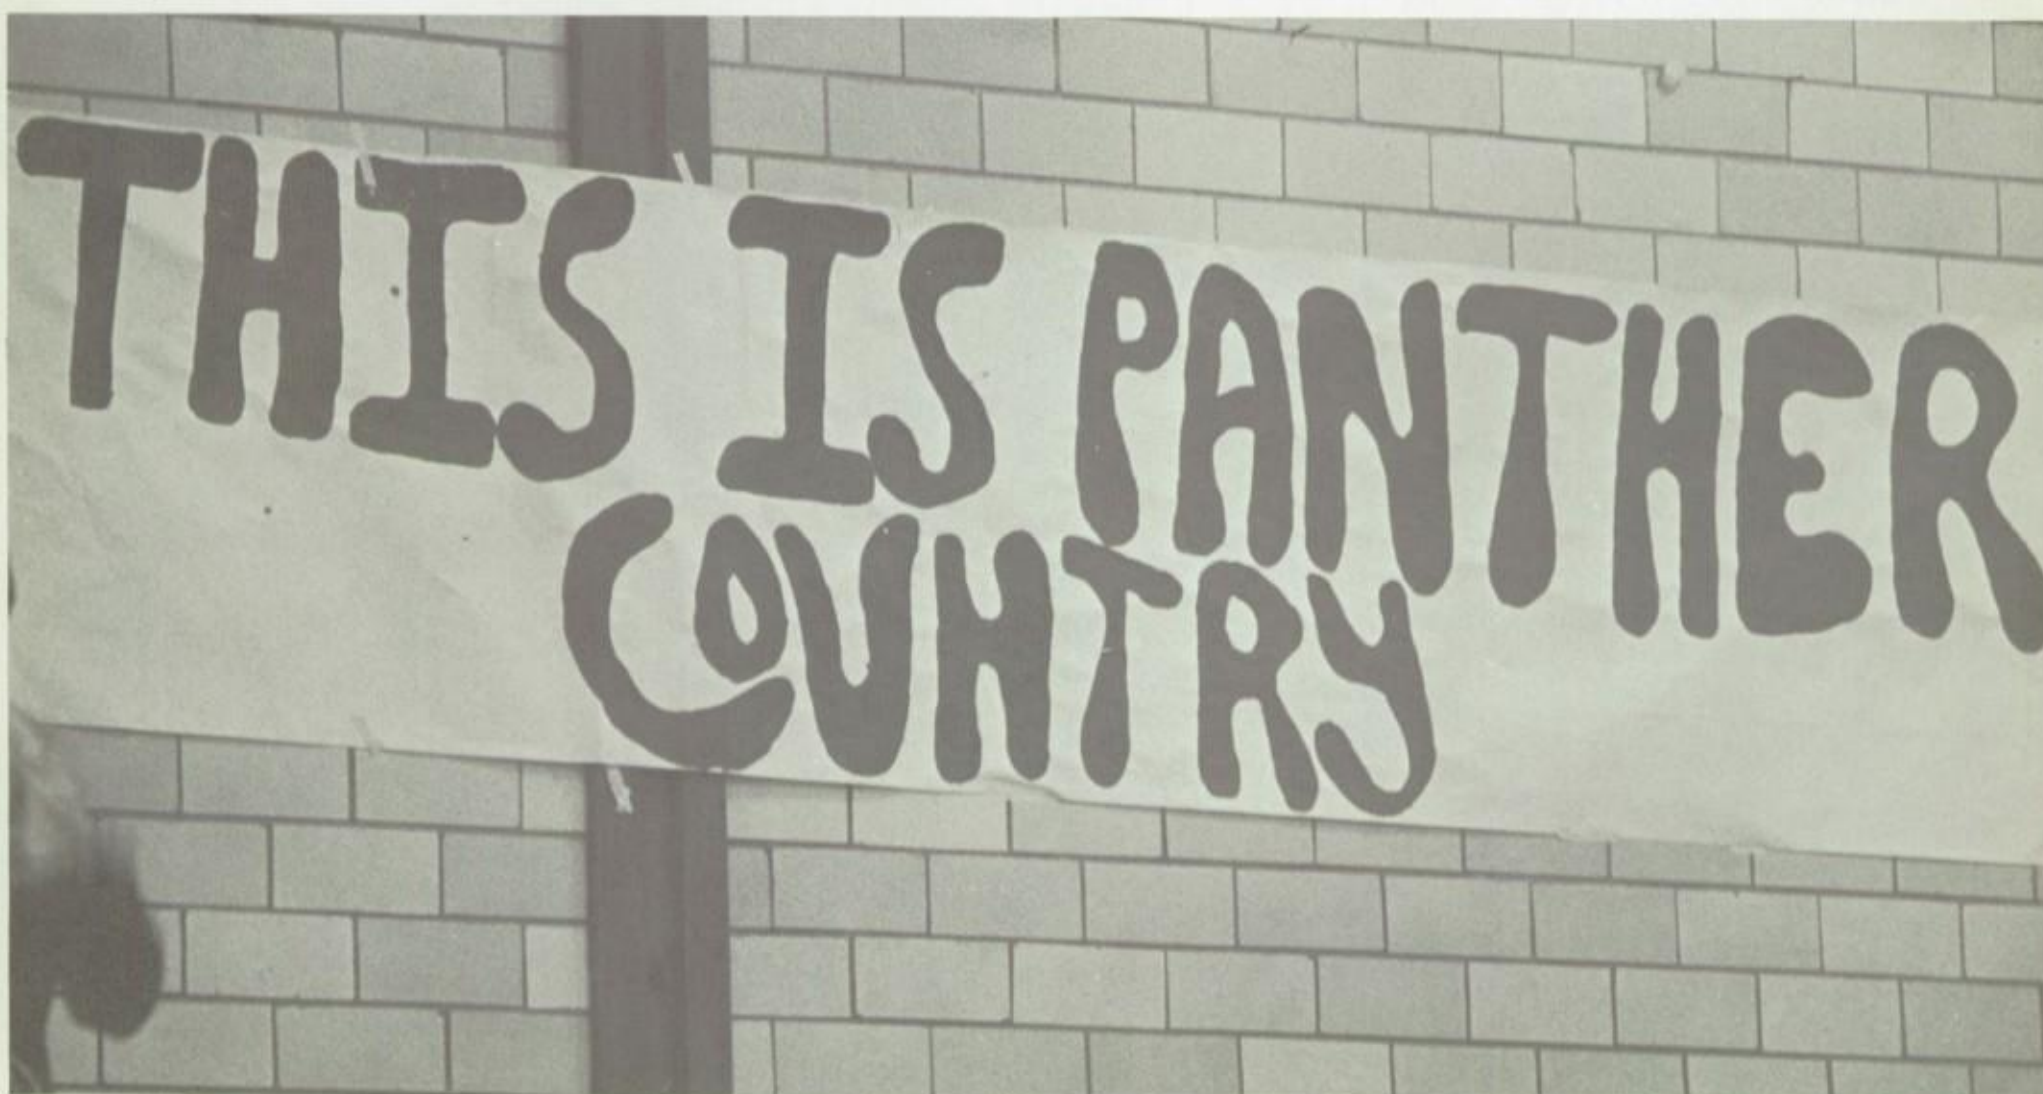

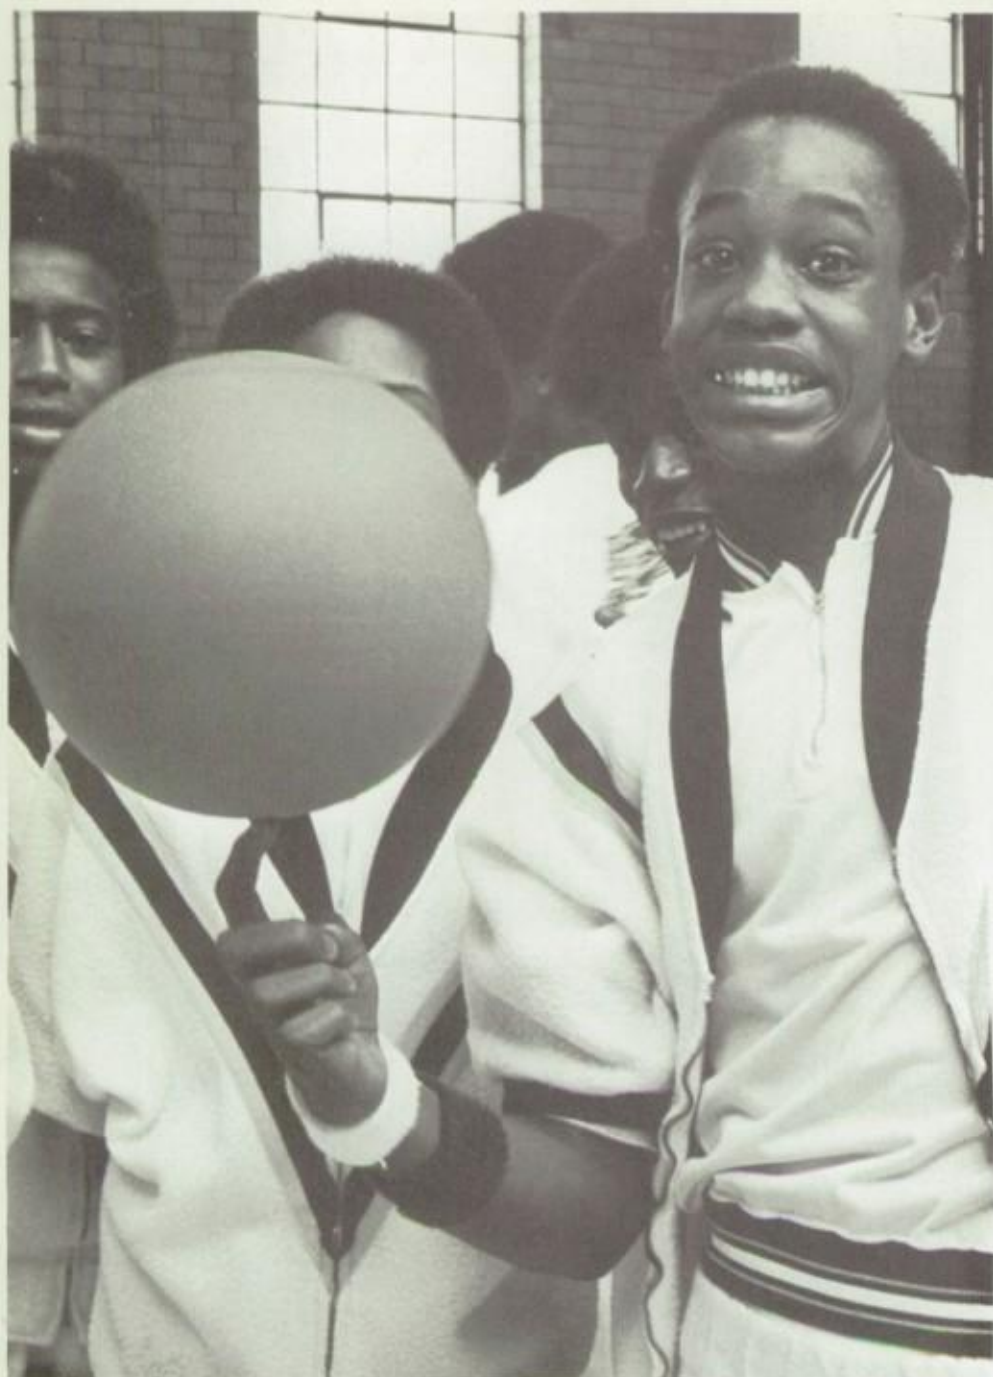

Even Before We Were No. 1

**TEACHERS

(But Being # 1 Is Beautiful)

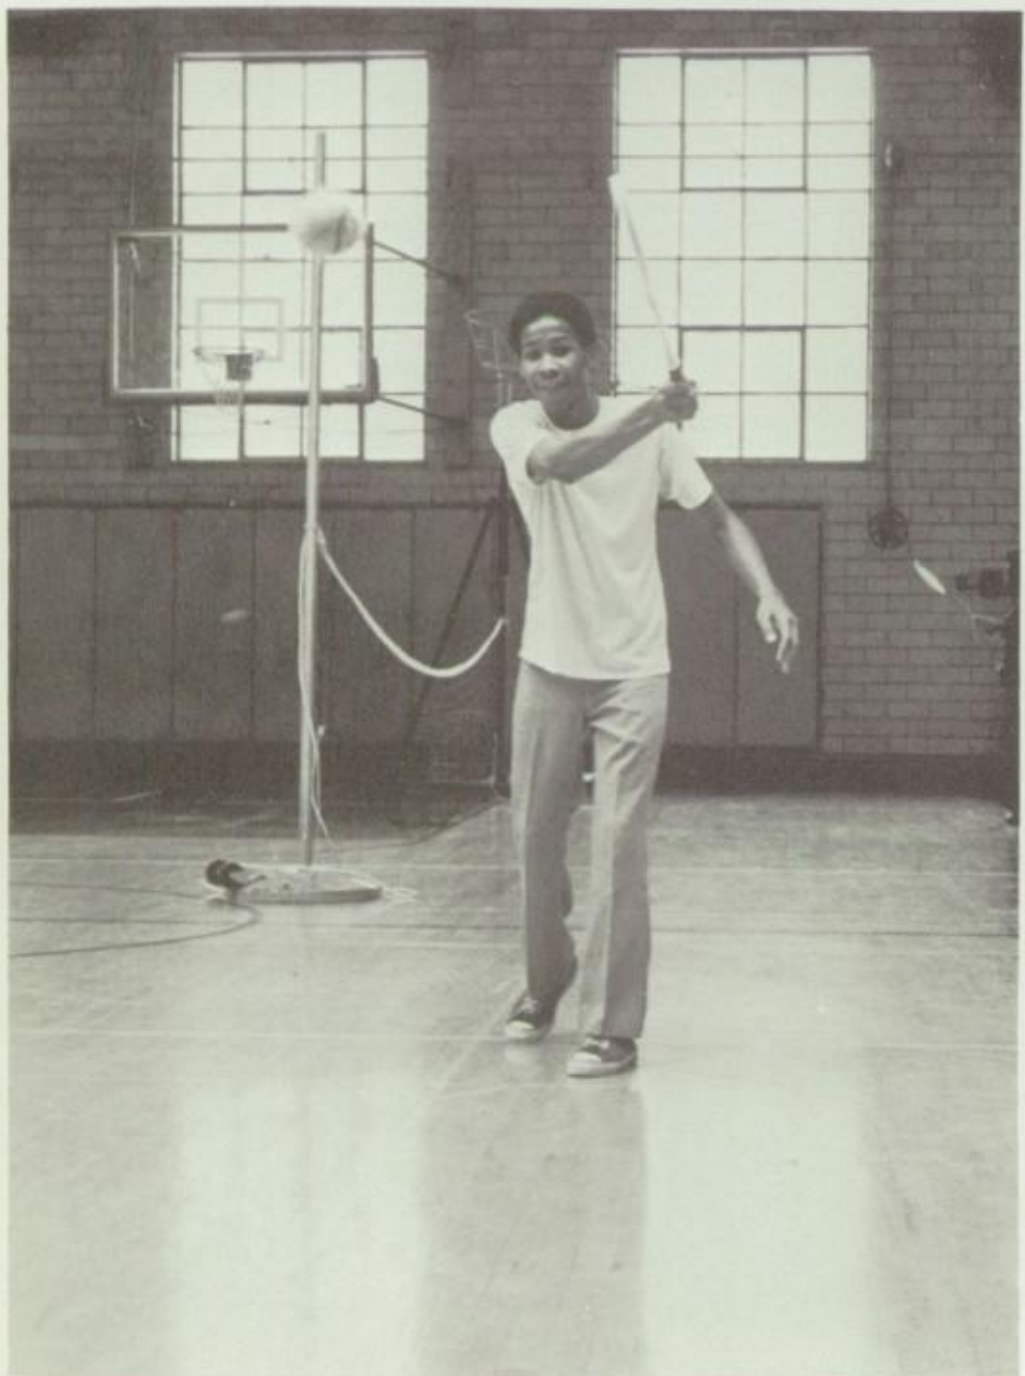

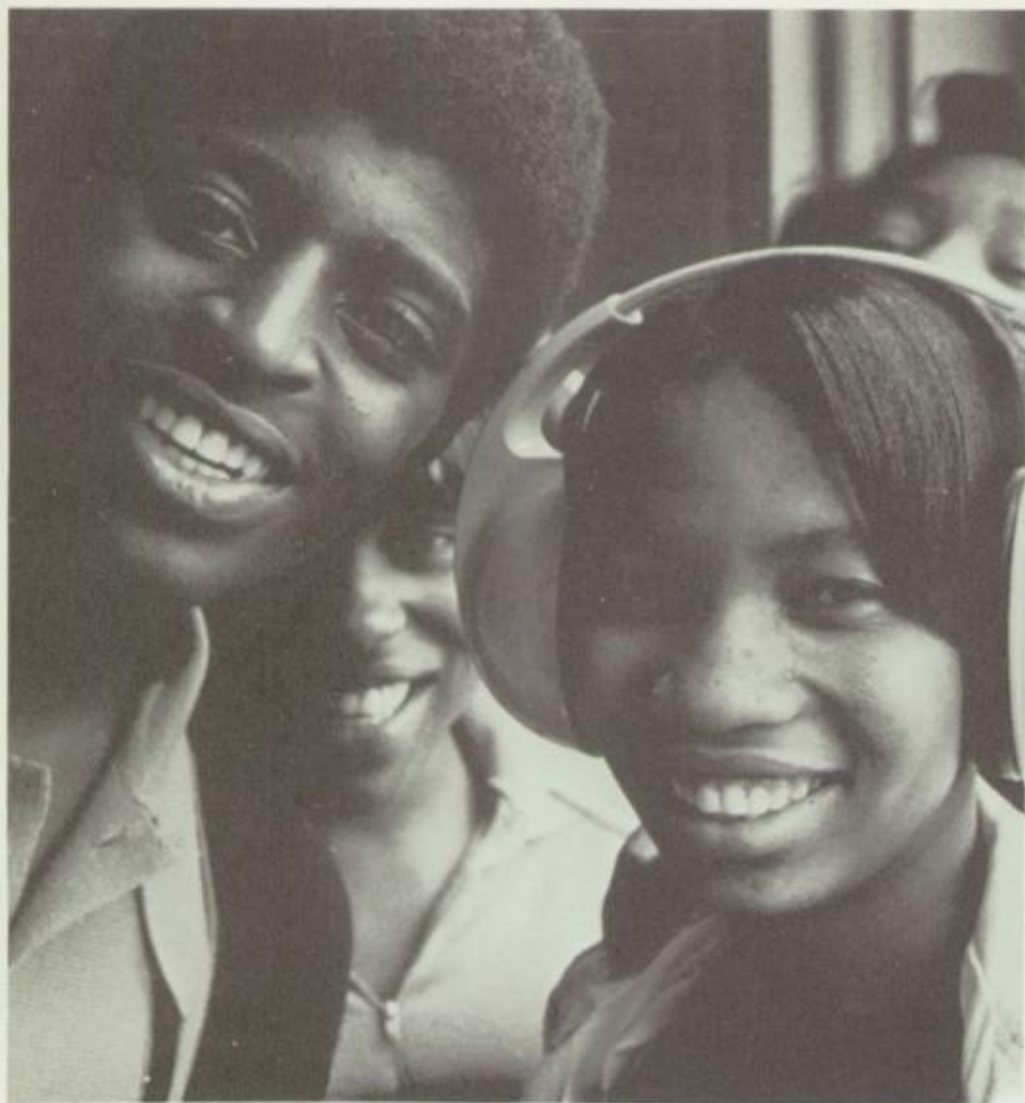

Such A Great Achievement

Gives Us Pride In Linden

A New Pride That Comes

After Everyone Else Realizes

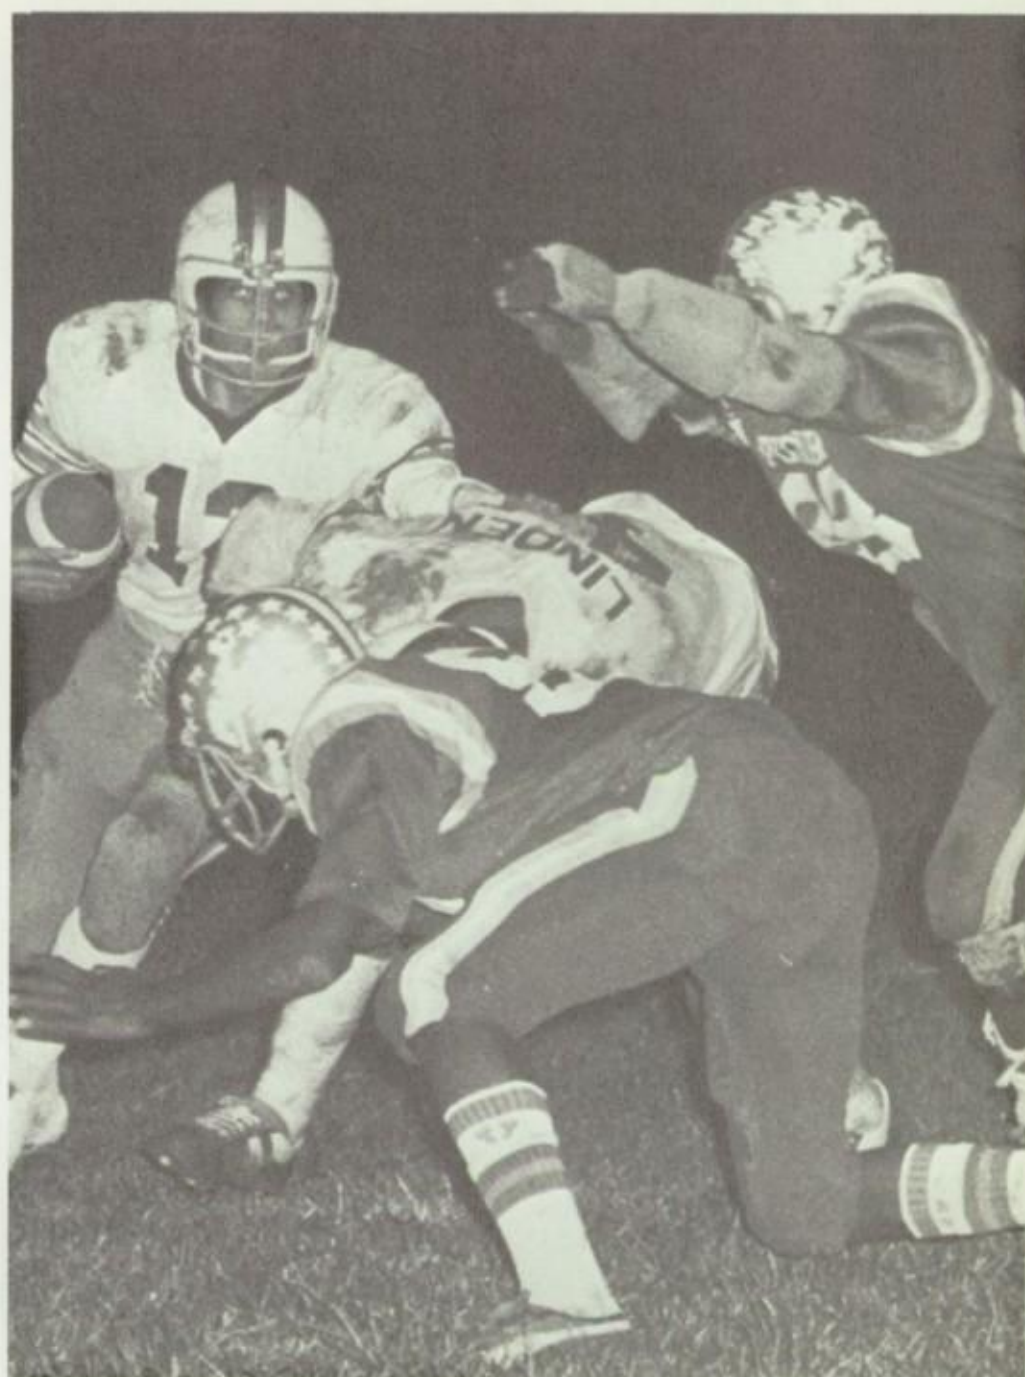

How Beautiful We Are

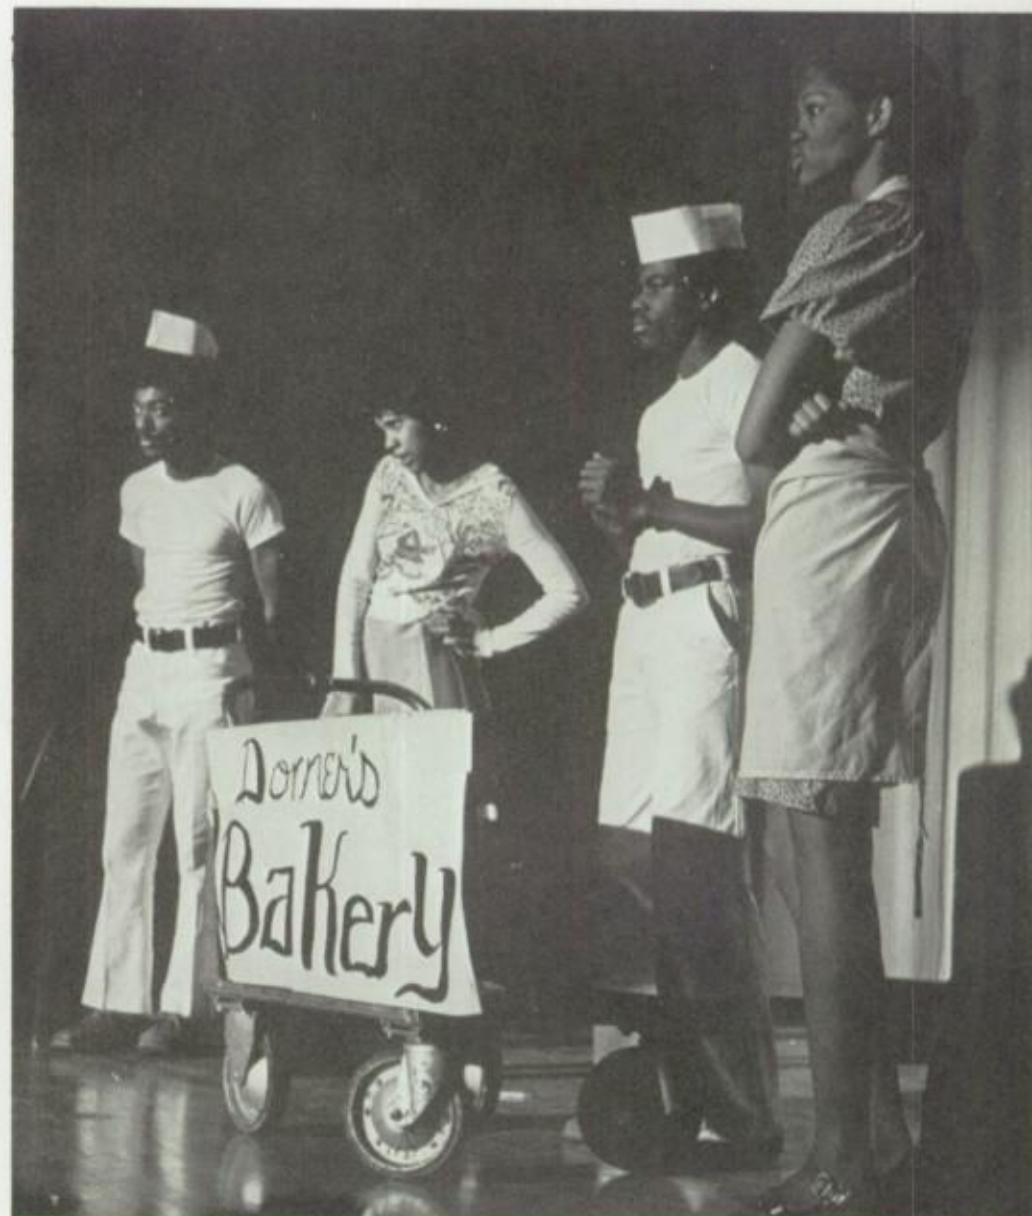

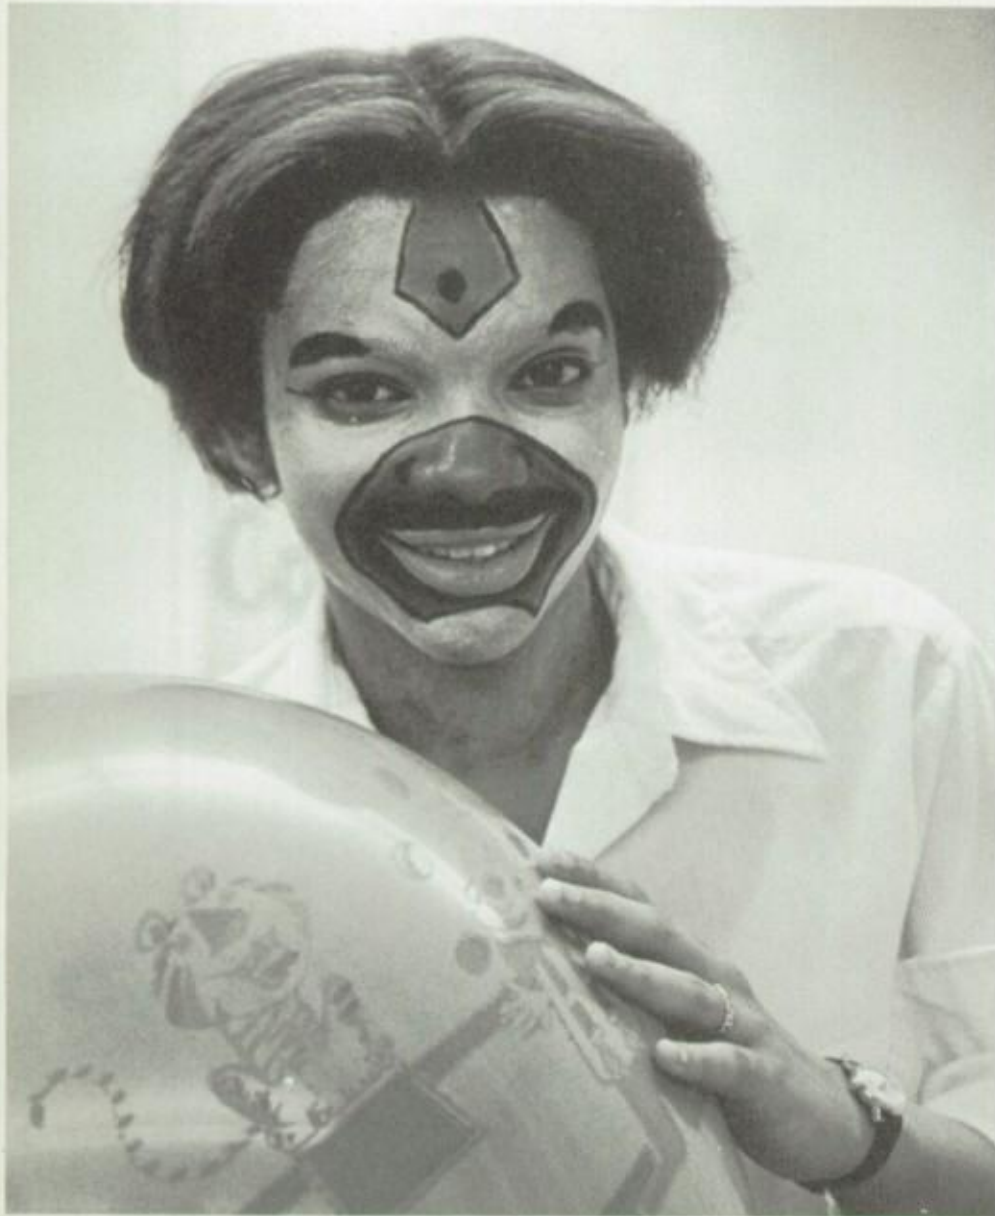

But No One Seemed To Say It

Until Something Big Happened

Now, Everyone Believes It.

No thing has to be mediocre not forever anyway . . . It is only the natural cycle to improve with age, determination and togetherness . . . When we won the championship some said it was a fluke . . . Yet there is in the true nature of greatness, the ability to bounce back from defeat to try again . . . In this case as a team. It was no surprise to them. It was good that time did not run out before they finished the cycle of a worthy champion . . . Congratulations
